

CAMPING IN LOFOTEN

- *Only camp on "uncultivated land"
- *Keep at least a 150 metres' distance to the nearest inhabited house or cabin. This also applies for caravans and campervans.
- *You are welcome to camp 2 nights in the same place without the landowner's permission.
- *Please note that in Lofoten we do have areas with restrictions on camping. Scan the QR-code below to see our outdoor map to localize these areas.

Be considerate and thoughtful. Don't damage nature and leave the landscape as you would want to find it.

Sleep well - and welcome to Lofoten!
