

The benefits

1 Perfect paper stacks for further processing

2 Fast and accurate

3 Avoids paper jam

Paper jams with copying machines, folding machines, envelope inserters, printing presses, cutters and perforators?...Not if you use the

Jogger MARTIN YALE 400

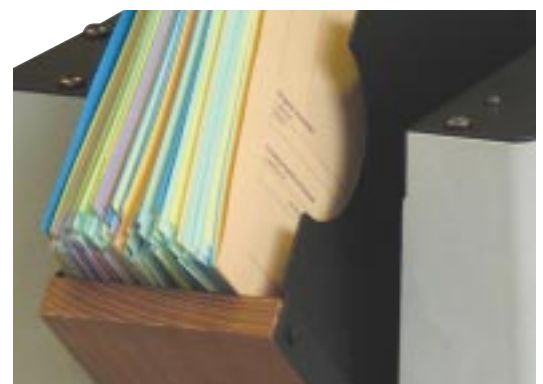

Prior to using any of these machines, the jogger will reduce anti-static and paper sticking, thereby minimising paper jams and double-feeding.

In just a few seconds, you can jog up to 500 sheets of paper into an accurate and anti-static paper stack for further processing, like:

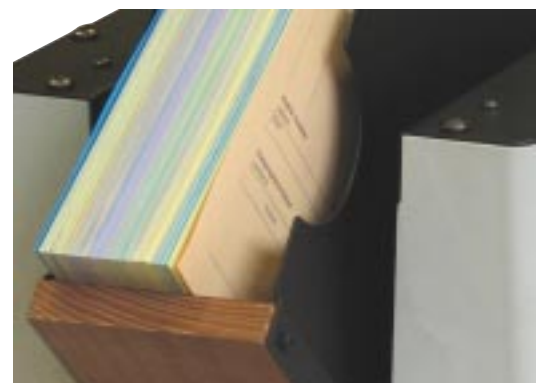

- Punching • Binding • Stapling • Glueing • Cutting
- Inserting • Copying • Folding • Perforating

Areas of application:

- Copy shops
- Copy centres in big companies
- Small print offices and graphics establishments
- Industrial concerns
- Advertising agencies
- Auditing firms
